

WRITING ASSIGNMENT - HISTORYATOURHOUSE

DUE: Monday, December 16 (Earlier is better!)

The students are assigned a paragraph length explanation the rise of Athenian democracy.

The first sentence of the paragraph is given for students to use:

“The idea of democracy, which most people cherish today, was born in ancient Athens c.508 BC, after a long struggle to rise up from the archaic plateau.”

The remainder of the paragraph was outlined by the class in class by the students. The outcome of their efforts is posted to the class web page under the “Lecture 41” resources.

If the students need additional material, they can reference the Week 14 and Week 15 class notes. That is all they should do.
