---

---

---

---

---

---

---

---

4. What did the corruption of the absolute monarchy of France lead to? Did France manage to get rid of monarchy?

---

---

---

---

---

---

---

---

5. Why was Napoleon III important to each of France, Italy, and Germany?

---

---

---

---

---

---

---

---

---

---

**Part 3: The World Wars and the Rise of Modern Europe**

6. What is *internationalism*? How was it supposed to prevent further wars?

---

---

---

---

---

---

---

---

---

---

7. Why was nationalism not viewed negatively after WWI? How did World War II change that?

---

---

---

---

---

---

---

---

---

---

8. What organization was created to make war *unthinkable* as well as *materially impossible* after WW2? How was it supposed to prevent war in a practical sense?

---

---

---

---

---

---

---

---

---

---
